

Pearly Everlasting

Anaphalis margaritacea

PAINTED
LADY

AMERICAN
LADY

- Boasts attractive silvery foliage
- Blooms white, June-Sept
- Separate male & female flowers are usually on different plants
- Long-lived as a cut flower

HELPFUL TIPS:

Ideal for meadows and mixed prairie plantings. Performs best in full sun with well-drained soil, but is adaptable.

COMPANIONS: *Rudbeckia fulgida*, *Blazing Star*, *Sideoats Grama*, *Prairie Dropseed*, *Little Bluestem*, *Pussytoes*, *Whorled Milkweed*, *Butterfly Weed*
