

Side-Oats Grama

Bouteloua curtipendula

DOTTED SKIPPER

Arcadia
NATIVES

- Variety of landscape uses
- Unique blooms, Aug-Sept
- Clump-forming; rhizomatous
- Excellent in mixed meadows
- Oat-like seed spikes

HELPFUL TIPS:

Useful for erosion control or slope stabilization. Blue-gray leaf blades turn golden brown to orange/red in the fall.

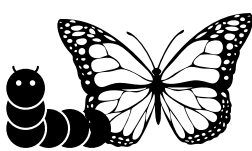

COMPANIONS: Nodding Onion, Showy Ticktrefoil, White Goldenrod, Butterfly Milkweed, Little Bluestem, Rudbeckia, Prairie Dropseed, Aromatic Asters
