

SEMI-EVERGREEN VINE

Coral Honeysuckle

Lonicera sempervirens

SNOWBERRY
CLEARWING

SPRING
AZURE

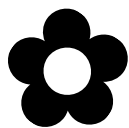

- Climbs trellises, arbors, fences
- Blooms red, May-June
- Well-behaved; non-aggressive
- Forms red berries that feed birds
- Attractive blue-green foliage

HELPFUL TIPS:

Flowers best in full sun. To minimize powdery mildew, provide ample light & airflow. Appreciates well-drained soil.
