

SHORT-LIVED PERENNIAL

# Foxglove Beardtongue

## Penstemon digitalis

CREATE POLLINATOR-FRIENDLY GARDENS

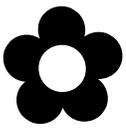

Arcadia  
NATIVES

- Hardy & highly adaptable
- Blooms white, June-July
- Attractive to pollinators
- Avoid poorly drained soil
- Semi-evergreen foliage

### HELPFUL TIPS:

Beautiful en masse or in mixed meadows and perennial borders. Reseeds; colonies can stabilize soil. Easy to grow & low maintenance.

*COMPANIONS: Black-Eyed Susan, Spiderwort, Bee Balm, Golden Alexanders, Baptisia, Indiangrass, Blue-Eyed Grass, Showy Goldenrod, Prairie Dropseed*
