DELAWARE
SKIPPER

TAWNY EDGED
SKIPPER

- Attractive & dramatic fall color
- Blooms purplish red, July-Sept
- Provides winter interest
- Clump-forming & rhizomatous
- Host plant & food for wildlife

HELPFUL TIPS:

Adaptable & robust. Prefers medium to wet soil in full sun. Tolerates seasonal flooding. Retains shape even in winter.

COMPANIONS: Aromatic Aster, Purple Coneflower, Brown-Eyed Susan, New England Aster, Wrinkleleaf Goldenrod, Early Sunflower, Smooth Blue Aster
