

PERENNIAL

Goatsbeard

Aruncus dioicus

DUSKY AZURE

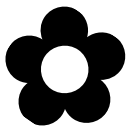

Arcadia
NATIVES

- Blooms white/cream in spring
- Can be slow to establish
- Dioecious; male blooms are showier than female ones
- Woodland or rain gardens

HELPFUL TIP:

To prevent foliage decline in full sun, choose a site with consistent moisture. Grows best in moist, fertile, rich soil.

COMPANIONS: Columbine, Ferns, Virginia Bluebells, Black Cohosh, Purple Giant Hyssop, Jacob's Ladder, Foxglove Beardtongue, Solomon's Seal, American Bellflower
